Healing HANDS

Dr Eric Pearl is confounding doctors and medical researchers all over the world with his healing abilities

Doctor Eric Pearl has been described by psychic medium John Edward, the author of *Crossing Over*, as "an amazing man with the superb gift of healing". But Eric says he's an "ordinary bloke".

Yet his clients have reported the sudden disappearance of diseases such as cancer, AIDS-related illness and cerebral palsy.

Eric's first spontaneous healing was with Gary, a man who had severe back pain and deformity due to an accident at birth. As Eric, a chiropractor, moved to do an adjustment, he felt strong sensations in his hands, and Gary's legs and feet started

Eventually Eric came to believe this healing gift came to him precisely because he was so down-to-earth.

"I'm an ordinary bloke and I now want to demystify the whole healing scene. It's been shrouded in ritual and smoke and mirrors for too long.

"Many people think there's one special healer in the world and we have to pay a lot of money to see them. We feel we have to have someone else heal us because we don't feel worthy, but we are worthy, simply just by being here.

"The point is, we can be our own healer," he says.

As Eric came to terms with his

'This is an opportunity to bring amazing change to the planet'

to twitch violently. At the end of the session Gary walked out of the surgery, pain-free for the first time in 26 years.

Amazed, Eric then witnessed a series of what seemed to be miraculous healings in his rooms. "These patients had a sudden ability to access this healing energy, not just for themselves but for others," he remembers.

From that point on things got very strange for the doctor.

"My patients were talking about seeing angels and other entities, and experiencing amazing lights and sounds and smells while I worked with them."

Several patients seemed to "channel" information, and Eric had no idea what was going on.

"I was shocked by what was happening," he says. "I thought, 'What is this phenomenon?'

'Why me?' I had the exact same childhood as anyone else; I partied with one too many beers like anyone else."

gift, scientists also took an interest – the University of Arizona is currently studying his evidence. Eric has begun teaching

"reconnective healing" around the world, and has trained 12,000 practitioners. His work is used in hospitals and private practice, and his book *The Reconnection: Heal Others, Heal Yourself* (Hay House, \$24.95) has been translated into nine languages.

Describing himself as "pretty sceptical", Eric believes this new healing energy is accessible to all of us, and comes from "God, love or the universe – pick the word you want. It's not about religion, it's about the source that makes trees grow up. It's not just energy, it's a spectrum of light, healing energy and information.

"We don't necessarily comprehend it, but it still works. This is an opportunity to bring amazing change to the planet. We are hitting our next jump in our evolution," he says.

connecting the strANDs

pearl of wisdom

Miracle healing is now being taken more seriously by the medical establishment.

Carolyn Burdet makes the connection with **Dr Eric Pearl**, who says that if we re-tune to a higher frequency, Reconnective Healing can reach the parts of our DNA that are resonating in a parallel universe to restore health...

Not many people, even in this day and new age, claim to have a parrot as their spirit guide who elicits miraculous healing, and probably even fewer who do are medically qualified health professionals with a private practice to maintain. But Dr Eric Pearl is a well-regarded chiropractor who has become famous as a healer despite his own disbelief, and who now teaches his healing method all over the world.

It all started, so the story goes, in August 1993, when Eric Pearl reluctantly had a \$10 card reading from a gypsy on Venice Beach, California. As he was leaving she pulled out her trump card: 'There's a special work that I do through the use of axiatonal lines. It reconnects your body's meridian lines to the grid lines on the planet that connect us to the stars and other planets.' She said he could read about it in *The Book of Knowledge: The Keys of Enoch*. 'It sounded quite interesting so I asked how much. She said, "\$333 dollars." I said, "No thank you."

But her words stuck in his mind and to satisfy his curiosity, he went back for two sessions on consecutive days. The gypsy told him his healing

potential would be increased by activating these axiatonal lines and traced some lines on Pearl's body with her fingertips. His legs got restless and his body temperature dropped during the session but nothing more remarkable happened. That night he experienced some weird phenomena, and was convinced he was not alone in his house. Then the healings began. On the first day back at his chiropractic practice, seven of his regular patients said they'd had the oddest sensation that people were running – or odder still, flying – around the treatment couch, although they knew it was positioned against the wall.

After doing chiropractic adjustments he would hold his hands near a patient and their body would start to fidget and they would get rapid eye movement. When they got up, their aches and pains were gone. Patients started to see out-of-this-world colours: exquisite blues, greens, divine purples and golds, and within a couple of months angelic beings were offering reassurance to the patients during the healings. A few made a regular appearance: a gracious healing lady angel, a white haired old man, a doctor in a white coat, and a multi-coloured parrot called George who befriended children!

Pearl had no idea what was happening. 'My hands felt as if they were constantly "on". At night, I would lie down to go to sleep, and my legs would vibrate. The bones of my skull would vibrate and my ears would buzz. Tones would come to me, and what sounded like voices in a choir.' His hands would erupt with tiny bleeding blisters during healings. Pearl says this happens to some people who come on his workshops – mainly the sceptics. But he maintains that you don't have to feel anything for the connection to be made and the healing to work. He says he has never seen any of these angels who appear to his patients; which may explain his appeal to scientists as well as mystics.

Strange phenomena

Eric Pearl writes about these strange happenings in his book *The Reconnection*. It's an amusing account of someone haplessly falling into the role of healer when they'd rather be nursing a broken heart, drinking too much and watching TV.

His main question when he wrote the book in 1999 was 'Why me?' It's an approachable and engaging style, but this humble shrugging-off of taking the credit is only one side of Pearl. He says receiving a Reconnective Healing attunes you to a higher frequency, and he makes the claim that coming into contact with him by attending one of his talks, or reading his book, is enough to bring about a transformation.

I could have done with seeing a chiropractor the day of our interview. I didn't get the peaceful sensation of having your aura stroked that you feel during Reiki or when you resonate with someone's healing presence, but I did experience some electrical disturbance with the lights going on and off, and my broadband connection was disconnected while trying to contact him. He experienced similar interruptions. Was this being retuned to a new faster frequency? Students are told to expect just this sort of strange phenomenon before they spontaneously start healing those around them.

I didn't meet any of the people whose lives have been transformed by a healing with Eric Pearl, but his patients have appeared on US television shows to give awed testimonials of 'miracle' healings and there are many accounts of dramatic recoveries. Chronic debilitating illnesses have gone into remission, and patients with paralysis or disabilities as severe as cerebral palsy have been known to throw away their crutches and walk out of his clinic in Los Angeles. Apparently his success rate had unpredictable highs and lows; it stopped if other healers joined in and tried to 'help', and paradoxically he found that the greatest healings occurred when his thoughts were distracted elsewhere. Baffled, he had snippets of advice from

“ within a couple of months angelic beings were offering reassurance to the patients during the healing ”

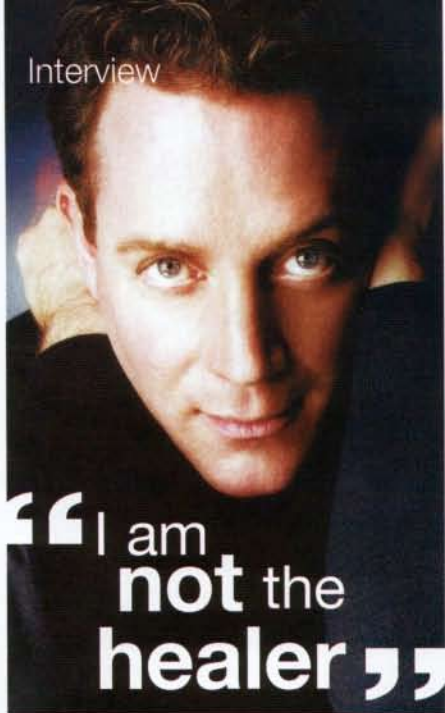

the guides, channelled via a patient. They told him to get out of the way and do less, to receive not send. Rather than making more effort to direct healing energy, he realised he had to remove himself from the equation. This self-effacing approach was a learning curve for him, as he admits to being a control freak. 'While others took a wait-and-see attitude, I preferred to dominate and control situational outcomes. The most galling expression on earth to someone like me was, "If it's meant to be, it will be." If I want it to happen, I'll make it happen, and don't any of you namby-pamby fatalists get in my way. So, imagine my surprise when the realisation dawned on me that for these healings to really accelerate, I had to get out of the way and quit directing, to step back and let a higher power guide.'

Searching for the key

Pearl jokes that he was not a model student. 'Books and I never got along. By this point in my life I had maybe read two books, and one of them I was still colouring in.' But he wanted an explanation for the healings so he did his homework. 'My addiction to television came to an abrupt halt. It was replaced by, dare I say it, books. I couldn't read enough: Eastern philosophy, life after death, channelled information, Edgar Cayce and Nostradamus, even UFO experiences.'

He went on seminars by Caroline Myss, Deepak Chopra, Andrew Weil, Brian Weiss, and read books by Gregg Braden, Gary Zukav, Wayne Dyer, and his favourite – *The Seven Laws of Spiritual Success* by Deepak Chopra. He took to ploughing through the dense text of the *Book of Knowledge: The Keys of Enoch*, searching for information about these 'axiatonal lines'.

As patients with life-long conditions showed up at their hospital appointment healed, medical research departments started to look into the Pearl phenomenon, including a spinal cord injury centre at one of the top hospitals in the United States, and he was invited to speak at a University School of Medicine. A team of researchers at the University of Arizona, directed by Dr Gary Schwartz, measured the levels of

gamma radiation and concluded that people present during the healing sessions were receiving and absorbing energy. 'At that point I truly embraced the concept: I am not the healer, only God is the healer. For some reason, whether I'm a catalyst or a vessel, an amplifier or intensifier, I'm invited into the room.' He adds: 'The last thing we need is another religion, we've been too busy investing our power in other people to allow our own power as a healer to emerge.'

By grace of God

Although Pearl talks about receiving healing energy 'from the heavens' and connecting the human electrical energy field to light grids in the stars, he's dismissive of the New Age healing scene. 'I am so impatient when I overhear someone say "oh I'm so sensitive I got a headache from the negative energy when I worked on so-and-so", and their friend says "oh I got it worse – I got a stomach ache". For God's sake, get over it! This sort of one-upmanship is spiritual bullsh*t! It's feeding your ego at the expense of the other person. Healing is about release – by the grace of God it's gone. If your patients are getting worse before they get better ["healing crises"], or if you are taking on symptoms when you do a healing, then you need to look at yourself. But frankly, I wouldn't begrudge the occasional headache if it means someone has received a healing.'

Putting the ego aside is essential for a healer, but Pearl's assertive side re-emerges when he is teaching. 'This is a serious seminar, 25 per cent of participants are doctors or medical professionals. If you think we're going to sing songs of love and harmony, you're in the wrong place. Not everyone sees angels or smells flowers but by the end of the weekend you're going to be able to do this work.'

Reconnective Healing™ is a trademark with all courses taught personally by Pearl. A powerful

presenter, he looks you in the eye, and each person in the audience feels he is addressing them individually. Just as his patients throw away their crutches, he urges his student healers to do the same. The basic weekend seminar is primarily about unlearning the techniques and rituals commonly used by spiritual healers – such as sending light, clearing negative energy, opening someone's chakras, discarding props such as crystal wands, along with the assumptions of how you do a healing, and learning to simply listen with your hands and body. 'Technique is seductive but I remind people that all they need to do is remember they are light. Simply be present and observe the healing happening. We don't need to know what's wrong, we simply need to be light in their presence, we need to let go of our own densities. Don't try and send healing to "fix" others. When you say you're "sending" healing what you mean is you want to "change them to think what I think". When you're invited into someone's living room, you don't move the furniture around. This is about our own evolution, what they see in our eyes and hear in our voice. Healing is energy and information and intelligence in the spirit of childlike innocence.'

Pulling strings

Sadly for patients with serious health conditions, Dr Pearl no longer has a private healing practice. He teaches full time, and 15,000 people in 40 countries have now trained in Reconnective Healing. For those who are keen to study more, The Reconnection is an advanced seminar about mapping the axiatonal lines, but Pearl says it's not necessary to attend this, as Reconnective Healing is enough. 'We've had parts of healing before – whether Reiki, Johrei, or Qi Gong – but when people come into contact with Reconnective Healing it connects all the parts and gives them the whole spectrum of healing energy.'

The obscure technique of retracing axiatonal lines has come a long way. 'The way I see it,' he says, 'the gypsy was trying lots of doors with her key, and it turned out I was the door, but I'm not the thing behind the door.'

According to the glossary in *The Keys of Enoch*, axiatonal lines are vibratory lines that connect levels of human electrochemical activity – the acupuncture meridians of the human body system – with

astro-biological circuits that span our solar system and are connected to resonating star systems.

Many people have been meditating on the 'light grid' around the planet since the 11:11 Gateway, but Pearl does not count himself as a New Age Lightworker, although he does subscribe to what Gregg Braden terms the Shift to describe the earth's evolutionary acceleration and repatterning of human consciousness. Dr Pearl approaches it as a physician, physicist and metaphysicist, investigating the science behind the mystery of healing. He speaks with clarity about topics that could sound flaky in less persuasive hands, using simple metaphors to unlock an understanding of tricky concepts. 'We live in a much more multidimensional universe since 1999/2000 when science came out and announced we are four-dimensional,' says Pearl. 'Einstein talked about the fourth dimension being time.' He describes dimensionality as the sides of a box – when one side or dimension expands, the whole capacity expands. But he believes there are many more than four dimensions, with parallel planes of existence.

The guides had explained that the healings were about reconnecting strands and strings. He started plucking string theory out of the ether. String theory links two conflicting schools of thought: the theory of relativity and the quantum theory of chaos. String theory says there is no difference between matter and energy, it all depends on the frequency of vibration, as things are universal strings vibrating at different frequencies like musical notes that resonate at different octaves, existing in several different dimensions simultaneously – in other words, parallel universes.

Dr Pearl believes accounts of the miraculous recoveries from fibromyalgia, scoliosis, nerve disintegration, and cerebral palsy, are evidence of Reconnective Healing repairing DNA strands. He goes as far as to surmise that Reconnective Healing restructures our DNA and connects us by the resonance of string theory to another dimension of ourselves through the universe, bringing us up to the next level of humanity where we have 12 strands of DNA which have been lost in this plane of existence.

Pearl somehow makes it sound very simple, clear and yes, quite plausible. **ks**

Healing hands

Dr Eric Pearl has been credited with miracle healings – but he says everyone can do it

Five-year-old Brian had cerebral palsy. He walked on his toes because his heels wouldn't reach the ground, and to get up stairs he had to crawl on all fours. For balance he had to lean on people or furniture. But after half an hour with Dr Eric Pearl he walked across the room like any healthy five year old, then stunned his parents by racing up and down a flight of stairs, on two feet, perfectly straight, without even having to hold the railing.

His mum and dad, both prominent medical professionals, had heard about Eric's amazing yet unorthodox healing successes, and after seeing the miracle results for themselves, took his seminars to learn how to heal in the same way.

'This is not therapy, it's not symptom related, it's not a treatment, and you don't need to come back on a regular basis,' Eric says of Reconnective Healing. 'This is different to any other healing technique. And it's demonstrated itself consistently in the laboratories of science internationally.'

Ten years ago Eric, then a successful LA chiropractor, noticed his patients were receiving unusual healings when he placed his hands near them. A man who had not been able to walk properly stood tall for the first time. A cancer patient stunned doctors when her tumour disappeared. AIDS-related illnesses were cured.

He's still not 100 per cent sure why or how, but the healings have continued, and he has been the subject of extensive medical research which has documented evidence that his Reconnective Healing does work, and is a measurable thing.

'I used to be the *last* person to believe in all this,' Eric grins. 'I studied, I became a doctor. I wasn't raised to think that if you waved your hands in the air around people healings would take place. I'd never been to tarot readers or read about spirituality. So this was quite a surprise! I wasn't planning on my palms bleeding and blistering and people seeing angels.'

But the healings he has witnessed and been part of encouraged him to continue.

'When the healings started, people asked me to teach it, but I didn't know how. So for several years, six days a week, 10 hours a day, I was in my office, seeing one person at a time. I thought that was the gift.'

'I didn't recognise that the real gift of Reconnective Healing is that once somebody interacts with me, this same ability develops in them. This is not about one person who lives in the US being a special healer. Once you interact with the energies, you'll be able to do what I'm able to do, and possibly more.'

Eric has written *The Reconnection*, a book which explains Reconnective Healing, how it developed in him and how to activate the energies in yourself.

'This is new. Scientists say it is new frequencies of energy – but it's beyond energy – possibly a whole new bandwidth.'

After 10 years of seeing people cured of terminal illnesses and disease, Eric is still in awe of the healings. Funny, warm and humble, he still isn't sure why he was chosen to bring this method to attention.

'I wouldn't have selected me,' he laughs. 'There are sages, gurus, religious leaders – and there's me, the guy in the corner who's had one martini too many. I'm not the person you'd consider "worthy" of this gift – but that proves that *anyone* can learn how to heal this way. I also seem to be able to present an issue that is a bit "out there" with a semblance of sanity.'

Eric now spends his days teaching Reconnective Healing around the world.

'I don't have time to do sessions myself anymore, but I can help more people by teaching them to do healings themselves. It's like the old story – you can give a man a fish or you can teach him how to fish.'

How can **you** do it?

THE BOOK: Reading *The Reconnection* has been found to somehow start the 'activation' process, and teaches people how to begin working with the new frequencies. The editor of the book had trouble working on it, because her fingers started to buzz every time she picked it up!

İstanbul'da **ERIC PEARL** fırtınası esti

Milton oteli, Convention Center önünde 14 Ekim Cuma akşamı yer bulmak üzere toplantı zamanından iki saat önce gelip Eric Pearl'ün anlatacaklarını dinlemek isteyen insanlar; beş yüz kişilik toplantı salonunun kapısı açıldığında içeriye hiç boş yer bırakmayacak şekilde doldurdu. İlave edilen sandalyelere, yetmeyince yerlere oturmayı göze alan bu izleyiciler Türkiye'ye ilk kez gelen ve şu anda dünyayı dolaşan yakışıklı bir adamı üç saat boyunca dinleyecekti.

Eric Pearl; bir tıp doktoru, bir kiropraktik uzmanı, bir şifacı ve aynı zamanda bir stand-up ustası. Üç saat geçip bittiğinde bile salonu terk etmeyen, kitap imza kuyruğunda yine uzun bir süre bekleyen bu insanlar neyi bekliyordu? Hiç kimsede benzeri olmayan, Eric Pearl'ün kendisinin de tam olarak bilemediği, kendiliğinden oluveren: Şifa sonuçlarını.

Eric Pearl hayatını anlattı; kendini ve tıp doktorluğundan inanılmaz şifacılık boyutuna geçerken yaşadıklarını karikatürize ederek, akıcı ve inanılmazı inanılır kılan, tanı vergisi yeteneği ile hepimizi büyüledi. Kahkahalar arasında birkaç kişi de stand-up'la şifaya kavuştu gözlerimizin önünde: Bir artrit hastası hanım ve yine yemek yemek için bile elini ağzına ulaştıramayan başka bir kadın bunların arasındaydı. Bu nasıl oluyordu? Eric Pearl bütün hikayesini anlattı. Aşkçası, başına gelenler bir bilim kurgu filmi andırıyordu... Bu yüzden onun çok büyük bir kuvvetle yorumladığı bu aşamaları burada anlatmak çok yanlış olur. Ben hikayesini ya kendisinden dinlemenizi ya da her şeyi anlattığı kitabı "Tekrar Bağlantı"yı okumanızı öneririm.

SIRADIŞI ŞIFACI

Eric Pearl alışlagelmiş bir şifacı değil. Çünkü o her şeyden önce bir tıp doktoru. Nasıl olup varolduğu veya neden bunun için kendisinin seçtiğini bilemediği bir dizi paranormal olaylar sonucu, eğitimini aldığı ve her zaman başvurduğu tıp tekniklerini uygularken, daha sonra isteği dışında hayatına giren şifa gücüyle insanları iyileştiriyor ve mucizevi sonuçlar ortaya çıkıyor. Bütün bu hikayeyi dinleyip, konferans boyunca izlediğim gelişmelerden sonra hafta sonu düzenlediği eğitim seminerine katıldım. Eric ve öğretisiyle, harika iki gün yaşadım.

İlk gün Eric Pearl ile dünyayı dolaşan 7 asistan öğretmen, 216 kişilik gruba kendilerini tanıtırken deneyimlerini anlattılar. Bunların her biri başlı başına özel birer deneyim olmakla beraber içlerinden birinin tanımı ve açıklaması çok çarpıcıydı. Bu asistan şifacı bir aileden geliyor, Amerika ve dünyanın bilinen bir çok alternatif tıp okullarına gitmiş, dört yıl eğitim alıp 80.000 dolardan fazla eğitim yatırımı yapmıştı. Fakat sonunda bütün öğrendiklerini arkasına atıp "Reconnective Healing" eğitimi alıp sadece bu şifa tekniğini uyguluyor ve Eric Pearl ile dünyayı dolaşıyordu.

Hastadan çok hayranı var...

Eric Pearl dünyanın neresinde, her hangi organizasyona katılırsa katılsın, katılımcıların başında kadınlar geliyor. İstanbul'da da kitaplarını imzalatmak isteyen kadın hayranları uzun kuyruklar oluşturdu...

TEKRAR BAĞLANTI

THE RECONNECTION

Başkalanna şifa verin,
Kendinize şifa verin

Eric Pearl, en başarılı bir şifa sistemi olan bağlayıcı bir sistem.
Bu sisteme katılırsanız ve kendi dünyanızı değiştirirseniz, okuyuşunuza
John Edwards, Oprah Winfrey, Lenny Kravitz ve diğer ünlü isimler katılmıştır.

RECONNECTIVE HEALING; TEKRAR BAĞLANTI

Peki neydi bu "tekrar bağlantı şifası" veya orijinal adıyla "Reconnective healing"? Pearl'a göre, hepimiz evrenle olan bağlantımızı kopartıp, kim olduğumuzu unutan tanrısal varlıklarız ve şifayı da ancak evrene "tekrar bağlanarak" bulabiliriz. Uygulamak ve öğrenmek çok kolay. Daha doğrusu bir şey öğrenmiyoruz; sadece oradayız. Bu seminere katılmayı seçiyoruz; Eric, bizi kahkahalara boğan bir dizi olay ve deneyimini anlatırken şunu söylüyor: "Siz, sadece orada olun ve evrenin bilgeliliğinin akmasına izin verin. O bilgelikte ihtiyacınız olan şifa var. Bunun ne ve nasıl olduğunu düşünmeyin. Çünkü zihnimiz sınırlıdır; sadece öğretilenler vardır. Oysa evren bizim zihnimize göre çalışmaz. Sadece

orada olun ve evrenin iyileştirici gücünü kabul edin".

Uygulayan da uygulanan da o an bir çok değişim hissediyor. O kadar kolay ki, bir çocuk bile öğrenebilir. Şifanın oluşması ise o kişinin şifayı hangi derecede kabul edebileceğine bağlı. O anda da olabiliyor ya da daha sonra oluşacak bir şifa süreci başlıyor. Bu sistemde şifa bir oyun gibi. Eric Pearl, asistanları, bu seminere katılanlar ve bu yazıyı okuyanlar; herkes bunu uygulayabilir. Orada bulunan bizler kolayca öğreniyorduk, daha doğrusu bir şeyler kendiliğinden oluyordu. Şifa alan katılımcıların gözkapakları titreyiyor, vücutları istem dışı seğiriyordu. Bütün bu olanlara Eric Pearl 'ün cevabı daha da ilginçti:

"Neler olduğunu gerçekten bilmiyorum! Bilmiyorum, bilmiyorum..."
Her ne oluyorsa, gerçekten oluyor!

PEARL: "Türkiye'de yaşayabilirim"

Q ğle yemeği molasında söz verdiği gibi Eric Pearl ile söyleşiyoruz:

FG- Kendi perspektifinizden gezegenin geleceğini nasıl görüyorsunuz?

Eric Pearl: Şu anda beşinci boyuta geçme sürecinde olduğumuzu düşünüyorum. Beşinci boyuta geçtiğimizde "barışın değerini" anlayıp, bilincine erişeceğiz. Kimi çok dünyasal, kimi de çok spiritüel olan insanlar aslında bir yok oluş yolunda olduğumuza inanıyorlar. Bunu seçebilirler. Ben buna inanmıyorum. Bizler evrenin nasıl çalıştığını anladıkça, daha çok seçeneğimiz olur. Bazı insanlar bilgiye korku, kontrol ve kontrolü kaybetme bakış açısı ile yaklaşıyorlar. Hristiyanlık bin yıl önce reenkarnasyondan bahsediyor, Musevilik dört yüz yıl öncesinde reenkarnasyonu öğretiyordu. Hristiyanlık bu konuda konuşmaktan vazgeçti. Eğer insanlar reenkarnasyonu bilirse, bu hayatlarında gelişmek için çaba harcamayacaklarından korktular. Ben hayatın bu şekilde olduğuna inanmıyorum. İnsanlar bu yaşamda her şeyin bitmediğini anladıklarında, daha çok öğrenmek için çalışıyorlar, gelişmek için daha çok çaba gösteriyorlar.

FG- Türkiye'ye ilk kez geliyorsunuz; bir tıp doktoru olarak bu sistemi Türkiye'deki tıp doktorlarına önerir misiniz?

Eric Pearl- Bu çalışma birçok farklı alana sunulabilir. Tıp doktorları, psikolog ve karyopraktikler tarafından kullanılabilir. Otuz bin kişiden fazla sayıda insana "Reconnective Healing" sistemini öğrettik. Bunların yüzde yirmisi tıp doktoru, hemşire ve diğer tıp mensuplarıydı. Bu çalışmayı ne kadar çok doktor öğrenirse sağlık sistemimiz o kadar düzelir. Önemli nokta; şu anda doktor olarak yaptıklarından vazgeçmeleri gerekmiyor, bu sistemi sadece yaptıkları

"Bence doktorlar için önemli olan, doktor olmaktan daha çok 'iyileştirici' olmalarıdır."

çalışmalara ekliyoruz. Bence doktorlar için önemli olan, doktor olmaktan daha çok "iyileştirici" olmalarıdır.

FG- Bir tıp doktoru ve aynı zamanda şifacı; tamamlayıcı tıp alanındaki şifacılara bir öneriniz var mı?

Eric Pearl- Pek çok insan şifacı olma yolunda çaba gösteriyor. Bu çaba için de elimizde bulunan bir çok şifa tekniğini kullandılar. Sonuçta bu teknikler bizim bir yola çıkışımızdı. Bununla birlikte bilmemiz gereken, "bu tekniklerle" ulaşamayacağımız bir yer olduğudur. Bunu bir merdiven gibi düşünebilirsiniz. Merdivenin her basamağı önemli. Her basamağı bir sonraki basamağa ulaşmak için kullanıyorsak bu bizi o basamağa bağlı tutar. Eğer şu anki basamağa bağlı kalmak istiyorsak bu şansımız var, seçeneğimiz de. Ancak üzerinde bulunduğumuz basamakla vedalaşıp bir sonraki basamağa geçmeliyiz. Bir sonraki yaşamda ya da evrimimizin bir sonraki aşamasında yöneleceğimizi düşündüğümüz yeri yaratabiliriz.

FG- Neden dünyayı dolaşıyorsunuz?

Eric Pearl- Birkaç yıl önce öyle bir

durumdaydım ki, haftanın 6 günü on saat çalışıyordum. Bir gün anladım ki, insanlarla çalışırken bu beceri onlara da geçiyor. Orada kalıp insanlarla çalışırsam ancak belirli sayıda kişiye ulaşabilecektim. Oysa benim için daha önemli bir çağrı vardı. Ben, çok sayıda insanın bu enerjiyle etkileşime geçmesini seçtim ve dünyayı dolaşıyorum. Kitabım daha çok dile çevrildikçe (şu anda on iki dilde) giderek daha çok buluşabileceğim, bu bilinci paylaşılabileceğim insanlar oluştu. Dünyayı dolaşabilecek bir kişilik yapısına sahip olduğum için çok memnunum, bundan zevk alıyorum.

FG- Türkiye hakkındaki izlenimlerin nedir?

Eric Pearl- Havaalanından çıktığımdan beri kendimi çok rahat ve "evimdeymiş" gibi hissettim. Burası benim ailem gibi ve çok arkadaşım var. Aslında burada yaşayabilirim.

Popüler olan ve aynı zamanda adı duyulmamış birkaç enerjinin masteri olarak ben de üstünde bulunduğum basamağa bakıyorum. Çok zor elde ettiğimi sandığım beceriler bu çalışmanın yanında birkaç basamak aşağıda kaldılar birkaç gün içinde. Şifa; orada olun, evrene bağlanın, ihtiyacınız olan o an gelecektir. Hepsi bu. Eğer bu 5. boyutsa, çok sevdim. Bol kahkaha, dürüstlük, espri ve orada ol-şifayı al, hepsi bu!

Eric pearl Mart 2006'da tekrar İstanbul'da olacak. Orada olmanızı öneririm.

ELLERİNİ HASTALARI ÜZERİNDE GEZDİREREK HER TÜRLÜ HASTALIĞI TEDAVİ EDEN AMERİKALI DOKTOR ŞİFA DAĞITMAYA GELİYOR

"Şifalı eller" bu hafta İstanbul'da

Ellerindeki enerjiyi kullanmaya başladıktan sonra her türlü hastalığı tedavi ettiğini keşfeden ve kendi geliştirdiği "Tekrar bağlantı" şifa yöntemiyleünü bütün dünyaya yayılan Amerikalı doktor Eric Pearl 14-16 Ekim tarihlerinde İstanbul Hilton Otel'i'nde seminer verecek.

Amerikalı fizik tedavi uzmanı Dr. Eric Pearl, kendi halinde bir klinik işletmekteyken, 1993 yılında sahip olduğu gizli bir yeteneği keşfeder. Hastaları, bedenlerinde onun şifalı ellerinin gezindiğini hissetmekte ve bu sayede tedavi olduklarını söylemektedir. Kısa bir süre sonra hastaları melekler gördüklerini, kanser, AIDS ve ona bağlı hastalıklar, kronik yorgunluk sendromu, felç, doğuştan gelen anormallikler ve diğer ciddi bedensel problemlerden mucizevi bir şekilde kurtulduklarını bildirmeye başlarlar. Bütün bunlar, Dr. Pearl'ün ellerini onların üzerinde gezdirerek yaptığı şifa seanslarında gerçekleşmiştir.

Bu deneyimlerinden sonra Dr. Pearl'ün yeteneği tüm dünyadaki üniversitelerin, hastanelerin ve ünlü doktorlarının ilgisini çeker. Kendisi üzerinde laboratuvar ortamında araştırmalar yapılır ve şaşırtıcı sonuçlar elde edilir. Bu araştırmaları ABD'nin en ünlü hastaneleri yapar: Jackson Memorial Hospital, UCLA, The VA Hospital, The University of Arizona gibi...

Dr. Pearl bugün hâlâ ABD Los Angeles'ta oturuyor.

Şifa çalışmalarının yanı sıra Amerika ve Avrupa'da seminerler vermeye devam ediyor. Böylece, bu doğal yeteneğini tüm dünyada birçok kişiye aktarıp bu şifada uzmanlaşmalarını sağlıyor. Verdiği seminlere ise "Tekrar Bağlantı Şifası" (Reconnective Healing) adı veriliyor.

14 - 16 Ekim tarihleri arasında İstanbul'da Hilton Otel'i'ne gelip eğitim verecek olan Pearl, hem "Tekrar Bağlantı"nın ne demek olduğunu anlatacak hem de seyircilerden birine herkesin gözü önünde "şifa" verecek. Bu yüzden İstanbul'un tüm spiritüel meraklıları seminere kaydolmak için sırada bekliyor.

Tekrar bağlantı şifası nedir?

The Reconnective Healing'in anlamı "Beşinci boyut yeni enerji şifası" demek. Sears'larda çok farklı bir şifa getiren beşinci boyut frekansları kullanılıyor. Uygulayıcı, ellerini kullanarak beşinci boyut enerjisini alıcının enerji bedenine aktarıyor. Bu enerjiyi aktarırken uygulayıcının alıcıya dokunma-

sı gerekmiyor. Pearl'ün tedavisine gelen eleştiriler de yok değil. Pearl eleştirilere genelde aynı yanıtı vermeyi tercih ediyor: "Albert Einstein yaşama iki biçimde bakabileceğimizi söylemiştir: Ya mucize diye bir şey olmadığına inanırsınız ya da her şeyin bir mucize olduğuna..."

La RECONEXIÓN

La RECONEXIÓN®

Si eres afortunado, tu curación vendrá de la manera prevista. Si eres verdaderamente afortunado la curación vendrá de una manera jamás soñada. Una forma que el Universo te ha reservado especialmente.

Aprendiendo a curar a los demás te curas a ti mismo.

La Reconexión® utiliza "nuevas" líneas axiatonales que nos permiten ajustarnos a niveles vibratorios y a frecuencias de curación únicas. La reconexión activa estas líneas, permitiendo un intercambio de información y luz.

La Reconexión® puede considerarse como un nuevo enfoque energético de la curación, aunque la palabra quede limitada para describir el fenómeno de la curación por Reconexión®. No pretende sin embargo sustituir el consejo ni la prescripción médica.

El Dr. Eric Pearl tenía una próspera consulta de quiropráctica en Los Ángeles, California. En ella, él y sus pacientes empezaron a experimentar curaciones milagrosas. Todo ocurría cuando Eric tenía sus manos cerca de ellos. A partir de este momento, se dedicó a la difusión del proceso de curación por La Reconexión®.

Estas frecuencias han seguido despertando la curiosidad de la comunidad médica desde su introducción en 1993 hasta nuestros días. Diferentes hospitales y universidades americanas han invertido tiempo y dinero para tratar de explicarlas. En vista de los gratos y excelentes resultados de estas curaciones, todas ellas se están acumulando y archivando. Además este trabajo está apoyado por las últimas teorías relativas a la física cuántica y los resultados han sido extraordinarios.

La RECONEXIÓN®

En España actualmente sólo hay tres practicantes de La Reconexión.

Alessandro Di Masi (Figueras) ha sido formado personalmente por el Dr. Pearl.

Dotado de los mismos poderes que Pearl, Alessandro, experto en PNL, utilizando sus ojos y acercando sus manos obtiene resultados espectaculares y brillantes en sus pacientes. En octubre del 2005 consigue reactivar a alguien clínicamente muerto. Una parte de su magia reside en su voz, su palabra; Alessandro ha sanado ya a muchísima gente con sólo hablarles. Capta tu frecuencia vibratoria. La transforma en tu propia energía inteligente y autocurativa. Pone en marcha un proceso de equilibrio total de tu cuerpo físico, emotivo, mental y espiritual, llevándote a la cuarta dimensión: más conciencia de tu cuerpo etérico, alto grado de intuición, estabilidad, armonía, 'autocuración', salud y bienestar.

La Reconexión te capacita para alinear automáticamente tus chakras en un instante, ahorrándote días o semanas de sufrimiento inútil. Numerosos practicantes de Reiki y Qi-Gong han visto amplificar sus poderes de curación gracias a La Reconexión®.

La Reconexión® consta de cinco sesiones divididas en dos partes: en la primera se hacen los <<3H>> (3 healings, curaciones reactivas) y en la segunda parte la Gran Reconexión Personal <<GRP>>, una etapa decisiva e inolvidable en tu vida. En septiembre del 2006 empiezan en Figueras los cursos de Sanergía, que estarán abiertos sólo a los GRP.

¿Qué pasa durante las sesiones?

Primera Consulta

Si lo deseáis ésta puede ser una sesión gratuita; en nuestro consultorio **Centro Sanergía de Figueras** se os entregará un folleto con explicaciones de lo que os puede acontecer. Seguidamente Alessandro personalmente os explicará con claridad y simplicidad lo que hace y la razón de que esta técnica sea tan eficaz. Esta sesión acaba con 5-8 minutos de healing. As a doctor, Eric ran a highly successful chiropractic practice for 12 years until one day when patients began reporting that they felt his hands on them – even though he hadn't physically touched them. For the first couple of months, his palms blistered and bled. Patients soon reported receiving miraculous healings from cancers, AIDS-related diseases, epilepsy, chronic fatigue syndrome, multiple sclerosis, rheumatoid and osteoarthritis, birth disfigurements, cerebral palsy and other serious afflictions. All this occurred when Eric simply held his hands near them – and to this day, it continues.

His patients' healings have been documented in six books to date, including Eric's own international bestseller, ***The Reconnection: Heal Others, Heal Yourself***, now in its 27th language.

Based in Los Angeles, Eric and Reconnective Healing elicit great interest from top doctors and medical researchers at hospitals and universities worldwide. These include Jackson Memorial Hospital, UCLA, Cedars-Sinai Medical Center, the VA Hospital, University of Minnesota, University of Miami Medical School and the University of Arizona – where he addressed physicians at the request of Dr. Andrew Weil. New research programs are presently underway at multiple facilities under the guidance of such renowned research scientists as Gary Schwartz, PhD., William Tiller, PhD., and others.

Eric travels the globe extensively throughout the year bringing the light and information of Reconnective Healing onto the planet. He teaches you how to activate and utilize this new, all-inclusive spectrum of healing frequencies that allow us to completely transcend “energy healing” and “technique” to ***access a level of healing beyond anything anyone has been able to access prior to now!*** To date, he has taught more than 40,000 Reconnective Healing Practitioners in more than 60 countries, bringing about a spontaneous generation of healers worldwide.

Nilgün Sarar Tuncay seansa bedene dokunmaksızın el hareketleriyle enerji veriyor. (yanda) Eric Pearl ve o ünlü kitabı...

Amerikalı fizik tedavi uzmanı Dr. Eric Pearl'ün kitaplarıyla tüm dünyaya yaydığı, hastalıkları iyileştirdiği söylenen "Reconnective Healing" Türkiye'de! Bizdeki ilk uygulayıcı Nilgün Sarar Tuncay'la seansa girdik!

Onur BAŞTÜRK
basturk@gazetevatan.com

Loş ışıklı bir odada, masaj masasında uzanyorum. Gözlerim kapalı. Az sonra göz kapaklarım kendiliğinden

hareketleniyor. Sanki yukarıya doğru çekiliyor. Sonra bir yükselme hissi. Tuhaf ama, bedenimi terk etmiş gibiyim. Çünkü istemim dışında hareketler

yapıyorum. Mesela bir anda

bacaklarımı kaldırıyorum ya da ellerim

kelepeklenmiş gibi duruyorken birden

yana doğru açılıyor. Peki kolumdaki tüy

gibi dokunulara ne demeli? Her şey

bitip "uyandıgımda" ise sanki bir gün

uyumuş musî hem ağır hem de

hafifim. Vücudumda ise bir

karnavalın hissi var...

Tüm bunlar 45 dakika süren

"Reconnective Healing" seansı sırasında

yaşadıklarım. Bir baskısına anlatınca ya

da böyle yazınca tuhaf kaçabiliyor, ama

bunlar seanslara katılan herkesin başına

geliyor. Bu nedenle seans sonrası

sorular aynı: "Ne oldu? Nereye gittim?

Bana dokunan kimdi?"

"Reconnective Healing", Türkiye'de

sadece Nilgün Sarar Tuncay'ın

uyguladığı sıfırlar bir yeni enerji tekniği.

Tuncay, "yeni" oluşunu şöyle anlatıyor:

"Çünkü bu enerji frekansları daha önce

hiç dünyada varolmadı". Peki şimdi

neden var? Bunun nedenini kısaca,

yeni milenyumla birlikte yaşanan "çığ

değişimi" olarak açıklıyor. Birkaç yıldır

herkesin dilinde olan "Reiki" ise bu yeni

enerji frekansından değil. Üstelik bu

tekniğin "Reiki"den daha üstün bir

"iyileştirme" yanı olduğuna inanılıyor.

Dolayısıyla "Reiki"ye sardırılmış, spiritüel

konulara meraklı çoğu insanın çok yakında rotasını bu enerjiye çevireceği kehanet olmasa gerek!

NASIL ORTAYA ÇIKTI?

Nilgün Sarar Tuncay bu tekniği,

2002'de Dr. Eric Pearl'den öğrenmiş.

2003'de ise Pearl'ün dünyaya üzerindeki

10 asistanından biri olmuş. Tuncay,

hocası Pearl'u anlatıyor: "Eric Pearl,

Amerikalı bir fizik tedavi uzmanı.

1993'e kadar, 12 sene doktor olarak

çalışıyor. Bir gün hastaları garp şeyler

hissetmeye başlıyor. Pearl hastalarına

dokunmadığı halde onlar

dokunduğunu söylüyor. 'Renk ya da

geometrik şekiller gördük' diyenler

çıkıyor. Hatta AIDS, kanser, MS ya da

benzer hastalıkları olanlar iyileşmeye

başlıyor. Bunun üzerine Eric,

Hurdock in 1973'te yazdığı kitabı

okuyor. Bu kitap, yüksek enerji

frekanslarına nasıl bağlanılacağını,

ışıkla oluştuğumuzu ve nasıl bedene

dönüştüğümüzü anlatır. Ayrıca enerji

hastaların yerini verir: Arizona, Sedona,

Maçu Picu ve Mazar. İşte Reconnective

Healing sırasında bu halden

bağlanarak bedene enerji çekiliyor.

Buna, besinci boyut enerjisi de

diyebiliriz. Eric Pearl bu yeteneğinin

farına vardktan sonra hâlen piyasada

olan ünlü kitabını yazıyor: The

Reconnection / Heal Others, Heal

Yourself (Yeniden Bağlanmak: Kendini

ve Diğerlerini İyileştir).

NASIL UYGULANIYOR?

Seansa uygulayıcı konusuyor.

Ellerini bedene dokunmaksızın enerji

veriyor. "Burada önemli olan şu: Beden

üzerrindeki iyileştirmeyi ben

yapıyorum. Uygulayıcı transfer

görevini üstleniyor. Nevni, nasıl, ne

zaman iyileşeceğinin de garantisi yok. 'Başım ağrıyor' diye seansa gırıyorsanız, ama dizindeki yara iyileşebiliyor. Zaten seans alacak kişiye asla 'Neyin var' diye sorulmaz. Bir keresinde seans sırasında bir kadının bacağının uzadığını gördüm! Sağ bacağı öne doğru gıdıp geliyordu. Kalktıgında kendisi de söyledi, 'Birisi sağ bacağımı çekti' diye. Meğer bir bacağı dıgımden bir santim kısaymış. Seans sonrası esitlenmiş!

Tuncay'a hertüz kanseri ya da AIDS'i bir hasta gelmemiş. "Sadece" diyor, "Çoğu kanser olan bir kadın geldi. Geç teşhis yapıldığı için bir göğüs alındı, ama diğer göğüs iyileşti. Ama bu süreçte seanslar ne kadar etkili oldu gerçekten bilemiyorum". Telefonda konuştüğümüz Dr. Eric Pearl'e göre ise, iyileşme bir anda ve sadece tek bir seansla da gerçekleşebilir, ama bazen iyileşmenin kendini göstermesi uzun süre alabilir. Ama çoğunlukla üç seansın sonra mutlaaka bürseyleler olur.

BİR DE "PERSONAL RECONNECTION" VARI

"Personal Reconnection" (Kişisel Bağlanma) olarak tanımlanan diğer tekniğin "Reconnective Healing" ten farkı ise "riyer" olarak açıklanıyor. Ayrıca "Personal Reconnection" sadece iki seansa sınırlı.

Son olarak Tuncay, bir gün herkesin kendi kendine bu teknikleri yapabileceğini ve enerji hatlarına bağlanacağını söylüyor. Sonrası? Tercih meselesi, yani bağlanmak ya da bağlanmamak. Tipki "Matrix" teki gibi. Kırmızı hâp seçmek de mümkün, mavî hâp da. Peki ya, her iki durumda da hâpı yuttuysak?

"Enerjiyle yıkandım, sinüzitim geçti"

Serçi T. (34, Yönetici)

İlk seansa önce al-tın ve gümüş renkleri göründü, sonra beyaz bir ışıla ykandım izledim. Bu seans sonrası sinüzitim düdü! İkincide ise başıma uygulanan enerjiyle aşırı sıcaklık hissettim. Sonra altın renginde parlayan "noktalar" belirdi. İlk seansdaki gibi ellerim uyustu. Birden sağ kolumdan tüylerime dokunduğum hissettim. Seans bittiğinden Nilgün'e anlattım. "Birçok kişi dokunulduğunu söylüyor" dedi. Nilgün uygulamaya başladı. Bu seansa asla dokunmuyordum, uzaktan el hareketleri ile enerjisi veriyor.

NEW JERSEY WEEKLY DESK

IN PERSON; Prophet or Profiteer, This Doctor's In Now

By LISA SUHAY (NYT) 1682 words

Published: April 1, 2001

PHILADELPHIA - THERE are people with boundless energy. Then there is Dr. Eric Pearl, a healer and metaphysician, who has redefined the concept.

Somewhere along the way from Cherry Hill, the place of his youth, Dr. Pearl developed the notion that his hands were conduits through which energy flowed, bringing about physical and spiritual wellness.

While the tried-and-true spiritual leaders of the 1980's, like Dr. Wayne Dyre of "Your Erroneous Zones" fame, are still drawing the masses on PBS, there is a new breed emerging -- a sort of boy-of-wonders-next-door, and Dr. Pearl is the prototype. He is a seemingly earnest man with a self-deprecating and often biting sense of humor.

Prophet or profiteer, he is an up-and-coming force to be reckoned with in a new age where people are willing to pay lavishly for answers. Indeed, Dr. Pearl's followers -- in their 20's to their 70's -- flocked to the Crowne Plaza Hotel here last weekend to spend \$250 for three days of healing and enlightenment.

"I have felt the energy he uses," said Patricia Ugolev of Maple Shade, a Spanish teacher at the Lindenwold School. "Nobody believes it until they actually sit there with him and feel the pressure or just energy that comes through him. Then nothing anybody says can change your mind."

So what does this 45-year-old doctor of chiropractic medicine do to attract such a devoted following? He stands with his hands bracketing a patient -- who is usually lying on a massage table. He never touches the patient, yet people insist they feel sensations ranging from heat to building waves of intense pressure.

Using this hands-off approach, Dr. Pearl performs energy healings that he and his patients say range from elevating their mood to easing the pain of AIDS, cancer and even curing drug addictions.

He makes no bones about the fact that he does not know where this energy comes from, using the phrase God/love/universe as a moniker for the source. He does not know how it happens or why he is the one having these experiences.

"I think it's because I have a really big mouth, and I would be the one to go out and pass this on and teach others," he said.

Others have a somewhat different take. Dr. James H. Thomas of the genetics department at the University of Washington does not think much of Dr. Pearl's claim to be "reconnecting us to other realities and virtual strands to DNA that are evolving."

"I looked briefly at Dr. Pearl's Web site," Dr. Thomas said in a recent interview. "He is either a charlatan or delusional."

Nonetheless, that did not stop a group of aspiring healers from attending the three-day seminar that he led at the Crowne Plaza. This week, his first book, "The Reconnection" (Hay House, \$23.95), appears in stores, and on April 7 his ascension to the world stage will be complete when he takes his seat beside the medium John Edwards of the television show

"Crossing Over" (he sees dead people) and the psychic Sylvia Browne at Madison Square Garden.

This is not what one would have expected of the eldest of three children who grew up in a middle-class home in Cherry Hill and was expected to become a doctor.

Dr. Pearl proudly points to his career as a miserable student at Cherry Hill High School. "I hated to read, never cracked a book," he said. "You could sell all my school books as new."

This kind of remark sends his mother, Lois Pearl, into fits.

"Never reads? Never reads!" she gasps. "What am I going to do with him? How can he tell a reporter, of all people, that he never reads! O.K, in school he never read. But now he does."

Actually, he prefers his books on tape. "The trunk of my car is loaded with books on tape, and I just go off and drive and listen," he said.

Born in Pennsauken in 1955, Dr. Pearl moved with his family to Cherry Hill at age 5, "when the Cherry Hill Mall had just been built and all that development you see now was just frames going up."

When he was a child, a perfect day was one in which he and his friends bought chocolate at the Cherry Hill Pharmacy and went to the movies at the new mall. After a day of sugar and comedy, the pack of preadolescents would explore the housing developments in progress. Prespawl was Eric Pearl's playground, and he would spend hours climbing the skeletal frames of the emerging cookie-cutter homes.

"I never went in for team sports or sanctioned group activities," Dr. Pearl said. "I liked to bike, eat candy and watch movies. Really, nothing much has changed to this day where that is concerned."

As a teenager, he spent his summers as a lifeguard at an apartment complex's pool. "I wasn't a joiner," he said. "Lifeguarding was probably the most average thing I did."

Reluctantly, he went to the University of Miami after graduating from Cherry Hill High School, where his interests ranged from psychology to modern dance. He left college to spend a year studying in Jerusalem, and when he returned to the United States he took a class in Rolfing, a kind of deep-tissue massage, which ignited his interest in chiropractic care. He enrolled in the Cleveland Chiropractic College in Los Angeles, where he graduated in 1983, and for 10 years maintained a practice out there.

"He was bar mitzvahed!" said Mrs. Pearl, a former model, who lives with her husband, Harold Sonny Pearl, a retired businessman, in the Japanese split-level house in Cherry Hill Estates that they have occupied since 1960. "Who knew this was where his life would take him?"

To hear his mother tell it, he was always a precocious child. "In school he was a terror," she said. "He had a smart mouth. I would pray for him to get interested in something. I would sit in the school director's office and cry."

Mrs. Pearl rolled her eyes and added: "Then he calls from California back about seven years ago to tell us what he was doing and this energy healing. I thought, Oh God, I never should have let him leave Cherry Hill. But then he did it for us, and we saw that it was really real."

She takes relief in the fact that her son still attends temple on the High Holy Days. He does not tell people to walk on hot coals or drink foul-smelling health concoctions. In fact, he spends much of his time debunking such practices.

But now the pace is picking up. "Even though I have been at this since 1993," he said, "with Madison Square Garden looming, now it's all happening fast."

And he finds himself anxious about how his life will change, and how he will suffer the slings and arrows of skeptics.

"Look, you don't have to tell me that what I do is hard to believe," said Dr. Pearl. "I know there are people out there who are going to call me a messiah and those who will call me a false messiah, and they are both wrong. I'm just a regular guy

who has healings come through him."

Back at the hotel, Dr. Pearl -- in a dark green sport jacket, green sweater and slacks and stud earrings in both ears-- gave a dismissive shrug.

"This energy heals both physically and spiritually," he said. "Crazy? Sure sounds that way to me."

To hear Dr. Pearl describe his earlier life, he was running a successful chiropractic office when one day his receptionist asked him to visit a Jewish Gypsy on Venice Beach. After much indecision, Mr. Pearl chose to pay the woman \$333 to perform a ritual that would "reconnect my body's meridian lines to the grid lines on the planet."

In his book he writes, "I can hear the blurb now: Jewish Gypsy on Venice Beach takes \$333 from unsuspecting chiropractor. My picture with the word "Sucker" under it flashes across the screen"

But after only two sessions with the Gypsy, Dr. Pearl claimed he returned to his chiropractic practice to find that he had only to place his hands either above or beside the patient for them to become well, either physically or spiritually.

Over the past eight years Dr. Pearl, has restructured his practice, not by manipulating people's spines, but their connections with forces of energy that he says "flow through us all and connect us with other dimensions and strands of virtual DNA to which we are evolving."

He is quick to emphasize that his method is not Healing Touch or reiki, johrei or jin shin. "It's not qi gong, mah -jongg, or Beijing," he wrote in "The Reconnection."

"It's not any technique you've ever encountered," he said. "It's not a technique at all. It transcends technique."

For now, Dr. Pearl has now sold his practice and is on a 30-city tour signing his books, making public appearances and holding seminars. "I really don't know where this is all leading," he said.

He puts it this way: "Let's just say that I am going to try and pass on what I've been allowed in on. Maybe I just have to go to every person in the world, place my hands near theirs and say 'Feel this.' My philosophy is that when I die and face God/love/ universe, whatever and look back at my life, I would rather say that I made a fool out of myself trying to enlighten people and heal rather than having done nothing out of fear."

Eric's patients' healings have been documented in six books to date, including Eric's own international bestseller, *The Reconnection: Heal Others, Heal Yourself*, now in its 27th language. This new level of healing now has over 40,000 practitioners in more than 60 countries!

Eric and Reconnective Healing elicit great interest from top doctors and medical researchers at hospitals and universities worldwide. These include Jackson Memorial Hospital, UCLA, Cedars-Sinai Medical Center; the VA Hospital, University of Minnesota, University of Miami Medical School and the University of Arizona – where he addressed physicians at the request of Dr. Andrew Weil and where new research programs are presently underway at multiple facilities under the guidance of such renowned research scientists as Gary Schwartz, PhD., William Tiller, PhD., and others.

Find out what's baffling the medical community. Discover why hospitals and universities around the world are investing time and money in an attempt to explain these unprecedented healings, and how you, too, can **master this extraordinary work!**

Learn how to activate and utilize this new, all-inclusive spectrum of healing frequencies that will allow you to **completely transcend "energy healing" and "technique" to access a level of healing beyond anything anyone has been able to access prior to now!**

These seminars will teach you mastery of healing beyond anything you've read about, thought about, dreamed about!
